

COOK @ FUN

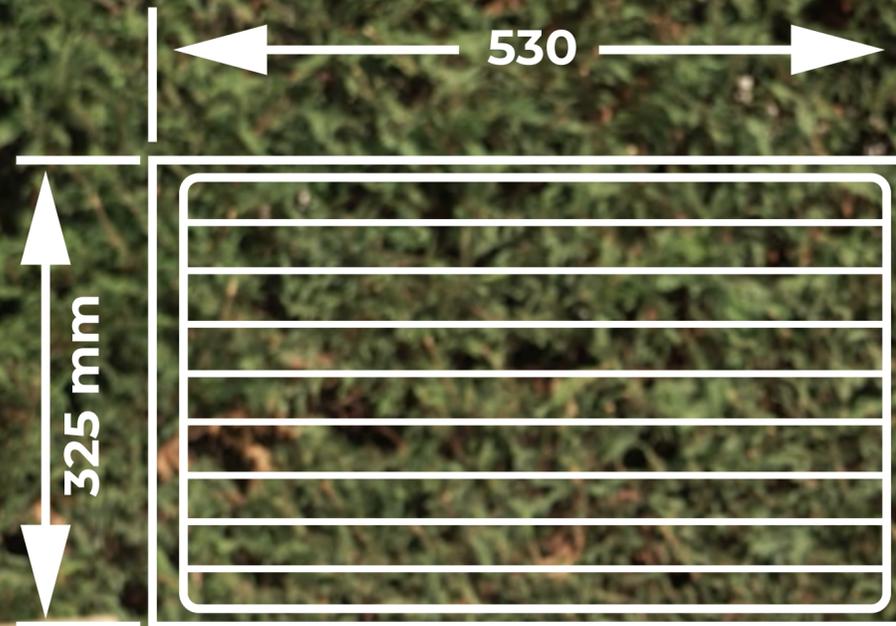

The image features the text "COOK @ FUN" in a bold, stylized font. The letters are filled with a bright yellow and orange glow, surrounded by a dense field of small, glowing orange and red particles that resemble sparks or embers. A single, larger flame icon is positioned above the '@' symbol, which is also rendered in the same glowing, fiery style. The entire composition is set against a dark, almost black background, which makes the vibrant colors of the text and particles stand out prominently.
